

**THIS IS NOT A QUOTE.** This illustrates 4 levels of AC offerings. The prices below are price ranges of a 3 ton AC with a closet mounted furnace. Refer to notes below to show variables that affect price. Job & price vary.

## 3 Ton Systems (Labor included)

Annville AC offers four system levels to fit different comfort needs and budgets. The **Essential Series** provides basic cooling with minimal humidity control. As you move down the page to the **Performance, Elite, and Ultimate Series**, both **efficiency and overall comfort increase**. Systems with **multi-speed and variable-speed technology** run longer at lower speeds, improving temperature consistency and humidity removal, making it ideal for our humid Coastal Bend climate.
