

This is not a formal quote.

The information below is intended to illustrate our four levels of AC system offerings. Pricing below is for a hypothetical house requiring a 3-ton unit with a closet mounted electric heating air handler. Please refer to the notes below for variables that may affect price. Every job is unique, and pricing will vary. Contact us to schedule a detailed, firm quote.

3 Ton Systems (Labor included)

Also available in 1.5 through 5 ton

Annville AC offers four system options to match a variety of comfort needs and budgets. The **Essential Series** provides dependable, basic cooling with minimal humidity control. Moving down through the **Choice**, **Priority**, and **Premier Series**, you'll notice increasing levels of efficiency and comfort. Systems with **multi-speed** or **variable-speed technology** run longer at lower speeds, delivering more consistent temperatures, better energy efficiency and improved humidity control—perfect for our humid Coastal Bend climate

ESSENTIAL SERIES: Rheem 14-16 Seer₂

Reliable and Efficient cooling for everyday comfort.

- **Single stage compressor and indoor fan.** Basic Cooling.
- After market thermostat: No "Advanced" Humidity Control

\$5,900 - \$7,980
Financing available with
payments as low as
\$156.00*

CHOICE SERIES: Trane 15 & 16 Single Stage Air Conditioner with IDS

Enhanced efficiency and improved features for better climate control.

- **Single stage compressor; variable speed indoor fan**
- **IDS** (Independent dehumidification system)
- Trane thermostat/humidistat with humidity monitoring

\$9,800 - \$12,600
Financing available with
payments as low as
\$168.00*

PRIORITY SERIES: Trane 17 Multi-speed Air Conditioner with IDS

Advanced Technology with superior energy savings, quieter operation and enhanced comfort.

- **6 stage compressor; variable speed indoor fan**
- **IDS** (Independent dehumidification system)
- Trane thermostat/humidistat with humidity monitoring

\$11,360 - \$15,000
Financing available with
payments as low as
\$192.00*

PREMIER SERIES: Trane 20 TruComfort variable speed A/C with Weatherguard Top with IDS

Top of the line innovation, maximum efficiency, and premium comfort

- **Over 700 stage compressor; variable speed indoor fan**
- **IDS** (Independent dehumidification system)
- Trane Link 360 Smart Thermostat/Humidistat
- Wifi system diagnostics and monitoring

\$16,260 - \$19,700
